It is fun to watch clouds in the sky. They can be different forms and shapes. Some people can even see the shapes of animals when they look at clouds. Clouds can also change their colours. They look very beautiful. Some people think that if there are clouds in the sky, it is going to rain. They are wrong. Not every cloud can produce rain. Still, wall clouds and shelf clouds bring heavy rains and even storms. Shelf clouds appear when a storm is about to begin. Wall clouds come at its final stage. Both types of clouds can be dangerous.
