People like songs. We can listen to songs or sing songs. There are different kinds of songs, and so there is a song for any mood or occasion. Classical songs have traditional tunes. Folk songs reflect the culture of a country. Pop songs are modern. Mostly young people like to listen to them or dance to them. Rock songs are also very popular with teenagers. They like rock concerts very much. Country songs are easy to listen to. They put you in a good mood and you feel like dancing and singing along. So people can choose what they like.

### My morning

Every morning I stretch and get up. Then I go to the bathroom to brush my teeth. I  at myself in the mirror in the bathroom. I have light green eyes and thick eyebrows like my dad's, a short nose like my mom's, and a lot of freckles, like my younger brother Joey. You can  that I have features of different family members. And I really like it. When my teeth are clean, I walk back to my bedroom very slowly. Then I get  for school. We have to wear a uniform, so I wear the same thing every day: a blue and green skirt with a navy blue polo shirt and black shoes. My elder sister Susanna finds the uniform boring, but I don't  it so much. I think it is quite comfortable. It's just one less thing I have to  about in the morning.
