People often watch films. A film is a type of communication. It uses moving pictures and sound to tell people a story. These are feature films. Some films just inform us about something and help us to learn. For example, we can watch such a film at school. There are educational TV channels too. We watch movies at home or go to the cinema. Some movies look great on a big screen but for others it is not important. We can buy a disc with a film or watch it on TV at home. It is great to watch a film with friends in the evening.

My morning

Every morning I stretch and get up. Then I go to the bathroom to brush my teeth. I at myself in the mirror in the bathroom. I have light green eyes and thick eyebrows like my dad's, a short nose like my mom's, and a lot of freckles, like my younger brother Joey. You can that I have features of different family members. And I really like it. When my teeth are clean, I walk back to my bedroom very slowly. Then I get for school. We have to wear a uniform, so I wear the same thing every day: a blue and green skirt with a navy blue polo shirt and black shoes. My elder sister Susanna finds the uniform boring, but I don't it so much. I think it is quite comfortable. It's just one less thing I have to about in the morning.
